Clothing Items - Please Note

BetterRetro always seeks to offer a wide range of genuine vintage items backed-up by excellent customers service and convenient delivery and returns policies. Please note that unless stated specifically within the item description all of our clothing is pre-worn and will have been washed. The nature of the items is such that they may show signs of wear such as fading, scuff marks, bobbling, damage to the finish or cracking within print. This is the nature of almost all vintage clothing and this type of wear does not constitute good reason for a refund. Tags are usually missing but any history described is accurate to the best of our knowledge. All items are inspected thoroughly and we will state and photograph any defects which are beyond reasonable wear damage for the item based on its age and described condition.

Please do not hesitate to contact us if you have any questions regarding the condition of this item before bidding.
